

Festool Kapex KS 120 REB Sliding Compound Miter Saw

Miter Saw

Tool Type: Cutting tool
Location: Elings 2442
Description: Sliding compound miter saw
Manufacturer: Festool

About

Capable of making precise, mitered cuts in wood, fiber cement panels, and aluminum, the miter saw is great for making square or common angled cuts. With a head capable of 45 degree tilt, and an adjustable fence with up to 60 degrees of rotation this is the fastest tool for setting up and making square cuts.

Safety Concerns

- Safety glasses or a face shield must be worn at all time when operating the saw
- Only cut one workpiece at a time
- Be sure workpiece is properly secured
- Hands should be kept free and away from the blade at all times
- Do not attempt to clear workpiece until blade guard has returned to its original position and the blade has stopped spinning
