

# Festool Miter Saw

Festool Kapex KS 120 REB Sliding Compound Miter Saw

<b>Tool Type:</b> Cutting Tool
<b>Location:</b> Innovation Workshop
<b>Description:</b> Sliding compound miter saw
<b>Manufacturer:</b> Festool

## About

Capable of making precise, mitered cuts in wood, fiber cement panels, and aluminum, the miter saw is great for making square or common angled cuts. With a head capable of 45 degree tilt, and an adjustable fence with up to 60 degrees of rotation this is the fastest tool for setting up and making square cuts.

## Safety Concerns

- Safety glasses or a face shield must be worn at all time when operating the saw
- Only cut one workpiece at a time
- Be sure workpiece is properly secured
- Hands should be kept free and away from the blade at all times
- Do not attempt to clear workpiece until blade guard has returned to its original position and the blade has stopped spinning
