

# CNSI Microfluidics Lab & Innovation Workshop COVID-19 Scheduling Information

## Recent announcements

- Occupancy limits replaced by required 1.8m (6ft) separation

## Instructions for COVID-19 access to Elings Hall and the Innovation Workshop and Microfluidics Lab

- Read the [Office of Research \(EH&S\) COVID Safety Presentation](#)
- Read the updated [Campus COVID rules](#)
- Read the [Innovation Workshop COVID SOP](#)
- Read the [Microfluidics Lab COVID SOP](#)
- Sign the [attestation](#) that you have read the above documents and agree to follow the rules. Sign the attestation digitally and email it to [cnsi-schedule@ucsb.edu](mailto:cnsi-schedule@ucsb.edu).
- **Card key access:** If you had Elings Hall and Microfluidics Lab/Innovation Workshop access before COVID, or if you are a new user you need to apply for access to the exterior doors and the relevant labs (Innovation Workshop - 2448 Elings, Microfluidics Lab, 3430 Elings at [the CNSI access request site](#)).
- Complete the online health screening on the days that you will be working on campus. Those with a UCSBNetID can enroll in the [employee Daily Survey](#). Others, including visitors and non-campus affiliates, can use the [On Demand screening survey](#).
- When you apply for card key access we will add you to the FBS reservation system so that you can reserve time in the labs (see scheduling information section above). Remember that you need to reserve the room and the tools that you will be using while in the lab.
